

# Grounds maintenance / Handyperson

25 hours/week. £15.58 - £17.29 per hour

Caistor Town Council is looking for dedicated and hardworking person to join our team as **Grounds maintenance/ Handyperson** to ensure the upkeep, safety, and presentation of public spaces, town council properties, and recreational areas including the cemetery, parks, buildings and allotments.

The job will involve:

- some mowing, strimming, hedge trimming, pruning, spraying;
- maintaining our play areas and equipment;
- building maintenance work;
- litter picking and sweeping.

The successful applicant will have:

- have previous experience of maintaining green spaces;
- experience of using petrol mowers and power tools;
- practical experience in several areas of maintenance such as basic joinery, painting, equipment maintenance and servicing;
- ability to operate power tools and hand tools safely and effectively;
- physical fitness to work outdoors in all weather conditions.
- Full UK driving licence

This is a unique sector and a varied and interesting role, with significant interaction with members of the public and Councillors. The job will involve attending an evening Estates Committee meeting several times a year.
