

CAISTOR TOWN COUNCIL

Annual Report 2024/25

Your Town Council

Caistor Town Council represents the people of Caistor. It listens to concerns raised by residents and does everything it can to deal with them or liaise with West Lindsey District Council or Lincolnshire County Council on the issues that fall under their responsibility.

Chairmans report

It has been a great pleasure and honour to serve this council as Mayor and Chair for the last 12 months.

I would like to thank all my fellow councillors for the hard work and dedication they have shown, giving their time freely as volunteers and for helping to make the position of Chair and Mayor a pleasant and rewarding one.

I would also like to thank our Town Clerk Michelle, the new Deputy Clerk Mark and our Estates Operative for their excellent work in guiding and supporting the council in our duties and for the good of Caistor.

Lat year we formed an estates committee to better manage the town council assets so that they can continue to be enjoyed by residents and visitors. The progress made by this committee is evident in this report and around the town, and this will continue into 2025/26. I would like to thank the committee for their dedication to improving Caistor for everyone. Caistor is extremely lucky to have an army of volunteers who foster community spirit and provide support for many different causes in the town and surrounding areas. Caistor would not be what it is today without the community groups, led by volunteers, who work tirelessly to make caistor a better place to live, visit and thrive.

Caistor Town Council would like to extend thanks to each and everyone of you. I have represented Caistor Town Council attending various Civic functions and events, I am proud as well as humbled to be in my role and believe the future is looking positive and bright for our town.
